Swiftness of Russian Stroke

(By Review Leased Wire.)
PETROGRAD, July 28. (Via
London, July 29.)—The Russians
have occupied the important
railroad junction of Brody, 58
miles northeast of Lemberg, in
Galicia, broken through the en-
tire first line of the Teutonic al-
lies west of Lutsk and driven the
Austro-German forces from the
line of the rivers Slonevka and
Voldurovka, southern Volhynia,
according to the official commu-
nication issued tonight by the
war office. Heavy casualties
were inflicted on the Austro-
Germans, more than 9000 men
were taken prisoners and a large
number of guns were captured.

LONDON, July 28.—While the
battle of the Somme continues with
methodical success for the British
forces the Russians are able to an-
nounce another important victory in
the capture of Brody.

Is Railway Center
This Galician town, 58 miles north-
east of Lemberg, is a great railroad
junction and it had been expected the
Austrians would retain it at all costs.
Lemberg Treated
The swiftness of this new Russian
stroke was unexpected and may lead
to the capture of Lemberg itself.

9000 Prisoners Taken
The Russians, according to a re-
port from Petrograd, also have broken
the whole Austro-German front
west of Lutsk. In this success they are
reported to have captured 46 guns.
Russian front seems to be that Gen.
Keldines, having driven General
von Linsingen's left wing behind the
Stokhod river, has suspended his ad-
vance toward Kovel and is holding up
the great Teutonic forces there, while
General Sakharoff is pressing on to-
ward Lemberg, which is defended by
the forces of General Boehm-Ermolli.

Allies Gain in West
Tonight's official report of the British
war office shows they are continu-
ing successful progress. The
hole of Louvain is now in their
hands as well as the Delville wood,
from which they drove the Fifth
Brandenburg division.

AMERICAN PROTEST TO BLACKLIST IS IN ALLIES HANDS

Britishers, Not Yet Compre-
hending Note, Refuse to
Comment. Note is Plain;
Minces no Words

(By Review Leased Wire.)
LONDON, July 28.—The protest of
the United States government against
the British statutory blacklist was de-
livered to the foreign office late today
but officials there, not having time to
master its contents, decline to discuss
it. It is known that while the note is
couched in softer language than the
mails detention document, it nevertheless
plainly states that the United
States government cannot admit the
validity of the blacklist on account of
the far-reaching effect of its ramifications
will have on trade of its citizens.
Lord Robert Cecil, minister of war
trade, stated today that the contracts
that George W. Meyer of San Francisco
has with Australian firms would not
be affected by the blacklist.

CHICAGO, July 28.—Who wants to
buy the body of a deformed old man
who thinks he is about to die and has
no money to pay for his own funeral?

This question was asked of Mayor
Wm. Hale Thompson in a letter re-
ceived today, signed C. F. Igo, Spok-

Tuesday morning and further de-
claring that he saw it moving

Region; Scores are Report-
ed Prostrated

CENTRAL STATES
STILL SWELTERING

No Relief in Sight Except in
Canadian Northwest; Even
Hotter Weather Predicted
for Chicago

CHICAGO, July 28.—At one
o'clock seventy deaths due direct-
ly or indirectly to excessive heat
were reported by the coroner's of-
fice. This made a total of 86
deaths in 40 hours.

(By Review Leased Wire.)
CHICAGO, July 28.—The torrid heat
wave which has been hanging over
the middle west for nearly a month,
today spread northward and sent the
mercury to 102 degrees at Mar-
quette, Mich., and Green Bay, Wis.
The torridity continued with insignif-
icant abatement in all other central
states but tonight the local govern-
ment weather bureau discovered signs
of relief in the Canadian northwest.

Fifty-Six Dead
The temperature at Green Bay
today was the highest ever re-
corded there. In Chicago the maxi-
mum today was 97, with a "con-
tinued fair and warmer" predic-
tion for tomorrow. Excessive heat
is blamed for the death of 56
persons in Chicago during the last
24 hours, according to reports
made to the police and coroner's
jury.

Scores Prostrated
Forty of these deaths were report-
ed between last midnight and 4 this
afternoon. Fifteen were reported last
night. Scores of other persons were
prostrated by the heat today.

DE FACTOS EXECUTE BANDIT RETURNING TO HELP CARRANZA

Santiago Ramirez, Offering
his Services, is Slain for
Exhibition of Patriotic
Motives

(By Review Leased Wire.)
LAREDO, Tex., July 28.—Santiago
Ramirez, a former governor of the
Mexican state of Coahuila, and later
a Villista general, was publicly ex-
ecuted on the plaza at Saltillo, Mexico,
Monday afternoon, according to news
reaching Nuevo Laredo tonight from
an authentic source. Ramirez, it
was stated, had left Mexico with the
dwindling of Villa's power and re-
turned recently to offer his services
to General Carranza when war be-
tween the United States and Mexico
seemed imminent.

LAREDO, July 28.—Ten thousand
persons, according to the report writ-
tess the execution. Ramirez met
death bravely, refusing to be blind-
folded when stood before the firing
squad. Efforts were made by influen-
tial Mexicans at Saltillo to save
Ramirez' life but General Carranza de-
clined to intervene with the military
authorities. Ramirez was a member
of a prominent Saltillo family.

Mexican arrivals from the north
today said many former Villa officers
who accepted amnesty from the Car-
ranza government at the time hostilities
with the United States seemed
possible were making their way to the
border in fear for their lives. These
arrivals reported that General Santos
Coy, a former Villista who was im-
prisoned upon his return to Saltillo,
has escaped and has armed several
hundred men and is at present in
open revolt against Carranza.

NEBRASKA BANK SAN FRANCISCO TARIFF BOARD IS ROBBED; TWO ARE SLAIN

Robbers Captured by Posse,
Organized by Cashier
Whom They Failed to Lock
in Bank Vault

(By Review Leased Wire.)
SYDNEY, Neb., July 28.—The Ne-
braska state bank at Senol, near here,
was robbed today of \$1,200 by two
robbers who locked Cashier W. C. S.
Smith in the vault and in making their
escape killed Ira Haup and Paul
Wackli who tried to capture them.
Later the robbers were captured by a
posse led by Sheriff McDaniels of Syd-
ney. They gave the names of J. W.
Cornell and R. G. Lukens.

According to the story told by Cash-
ier Smith, the men entered the bank
during the noon hours. One present-
ed a draft on an Ohio bank and cov-
ered Smith with guns while he exam-
ined the paper. After taking the cur-
rency in sight, the robbers ordered
Smith into the vault and closed the
door, but failed to turn the bolt.
As they left the bank and entered
their automobile, Smith emerged from
the vault and gave the alarm. An at-
tempt to stop them caused a fusillade
of shots in which Haup and Wackli
were killed.

In response to a telephone message
Sheriff McDaniels led a posse in pur-
suit which surrounded and captured
the robbers about two miles from Sen-
sol. About \$1500 was found in their
possession and recovered.

man Lloyd steamer Neckar, and Cap-
tain Zach Cullison of the tug boat.

A pilot was reported to have ar-

the time the extra men went on the
Timmins, but officials of the Mary-
land Pilot association said no pilot
had been supplied the submarine and
that none so far had been requested.
The testing of the submarine's en-
gines continued today.

U.S. NOTE TO CARRANZA AGREES ON COMMISSION TO DISCUSS WITHDRAWAL

Washington Suggests Broad-
er Powers for Commission
However, Dealing With
Mexican Finances

NOTE INSISTS MEETING
BE ON AMERICAN SIDE

Goethals, White and Brandeis
May be Commissioners.
Carranza May Not Reply
For Ten Days

(By Review Leased Wire.)
WASHINGTON, July 28.—Gen.
Carranza was informed tonight
in a note handed to his ambas-
sador here that the Washington
government is prepared to sub-
mit to a joint international com-
mission the task of seeking a
solution of border problems. The
proposal of the de facto govern-
ment, for a commission, is ac-
cepted, however, with the sugges-
tion that the powers of the com-
missioners be enlarged beyond
the limits proposed in the Mex-
ican note of July 12.

To Meet in U. S.
Agreement to this suggestion is ex-
pected and it was stated officially
tonight that the American members
would be appointed and the commis-
sion be assembled at some point in
the United States at an early date.
Following is the full text of Acting
Secretary Polk's note as delivered to
Eliseo Arredondo, Mexican ambas-
sador designate, after it had been ap-
proved today by President Wilson
and his cabinet:

Text of Reply
"Sir: I have the honor to acknowl-
edge the receipt of your communi-
cation of July 12th last, in which you
transcribe a note addressed to me by
the secretary of foreign relations of
your government and to request that
you will be good enough to transmit
to him the following reply:

"Mr. Secretary: I have the honor
to acknowledge receipt of your Ex-
cellency's note transmitted under
date of July 12 by Eliseo Arredondo,
your government confidential agent in
Washington, informing me that Your
Excellency has received instructions
from the first chief of the constitu-
tional army charged with the execu-
tive power of the union, to propose
that each of our governments name
three commissioners, who shall hold
conferences at some places to be mu-
tually agreed upon and decide forth-
with the question relating to the
evacuation of the American forces
now in Mexico, and to draw up and
conclude a protocol or agreement re-
garding the reciprocal crossing of the
frontier by the forces of both coun-
tries, also to determine the origin of
the incursions to date, in order to
fix the responsibility therefore and
definitely to settle the differences
now pending or those which may
arise between the two countries on
account of the same or similar rea-
sons, all of which shall be subject to
the approval of both governments."

U. S. Want Broader Powers
"In reply I have the honor to state
that I have laid Your Excellency's
note before the president and have
received his instructions to inform
Your Excellency that the government
of the United States is disposed to
accept the proposal of the Mexican
government in the same spirit of
cordiality in which it is made. This
government believes, and suggests,
however, that the powers of the pro-
posed commission should be enlarged
so that, if happily a solution to both
governments of the question set forth
in Your Excellency's communication
may be reached, the commission may
also consider such other matters, the
friendly arrangement of which would
tend to improve the relations of the
two countries; it being understood
that such recommendations as the
commission should make shall not be
binding upon the respective govern-
ments until formally accepted by them.

Ready to Meet Quickly
"Should this proposal be accepted by
Your Excellency's government, I
have the honor to state that this gov-
ernment will proceed immediately to
appoint its commissioners and fix,
after consultation with Your Excel-
lency's government, the time and
place and other details of the pro-
posed conferences.

"Accept, Mr. Secretary, the assur-
ances of my highest consideration."
(Signed)
"FRANK L. POLK,
Acting Secretary of State."

Await Carranza Reply
Appointment of the American com-
missioners will await General Car-
ranza's reply. If he approves the sug-
gestion that the scope of the com-
mission's deliberation be enlarged as
desired by the United States it is ex-
pected his note will be accompanied

**Changed Economics, Brought
About by Great War, Must
Figure in New Schedules
For America**
(By Review Leased Wire.)
WASHINGTON, July 28.—One of
the first tasks assigned to the tariff
commission to be created by the
pending revenue bill may be a tour
of European countries, including the
belligerents, to study the effect of
the war on industrial and trade rela-
tions of the United States and to re-
port any information which might
aid in the adjustment of tariff bu-
reaus to meet conditions likely to fol-
low the restoration of peace.
Administration officials let it be
known that plans to send the pro-
posed commission abroad were being
seriously considered in making public
today a letter from President Wilson
to Samuel M. Hastings of Chicago,
president of the Illinois Manufactur-
ers' association, in reply to a tele-
gram from the association to visit all
foreign nations to investigate econ-
omic conditions and trade opportunities.
The president said whether the mo-
men to act upon the suggestion was
opportune was open to serious ques-
tion but that when circumstances
justified it he intended to take ad-
vantage of the revenue bill's provi-
sion for investigation by the tariff
commission.
